Form 990, Part III, Line 4a - Program Service Accomplishments

The Opportunity Network (OppNet) connects students from historically and systematically underrepresented communities to college access and success, internships, career opportunities, and personal and professional networks.

During our 2018-2019 fiscal year, we served 870 students in our Fellows program and reached more than 5,000 through our Career Fluency® Partnerships with 29 schools and youth-serving organizations.

Our founding OppNet Fellows program, an intensive six-year experience for students beginning the summer after 10th grade, cultivates students' passions and skills to persist through college and launch the careers of their choice upon graduation.

OppNet's growth has been met with remarkable results far exceeding national trends: 92% of OppNet Fellows graduate from college within six years - over 90% of whom will be the first in their families to do so - and 89% secure meaningful employment or graduate school admission within six months of college graduation.

Additionally, OppNet drives national student impact through Career Fluency® Partnerships, which builds capacity for schools and youth-serving organizations across the country looking to boost college and career readiness in their young people.
