Form 990, Part III, Line 4a - Program Service Accomplishments

The Opportunity Network (OppNet) connects students from historically and systematically underrepresented communities to college access and success, internships, career opportunities, and personal and professional networks.

During our 2019-2020 fiscal year, we served 950 students in our founding Fellows program, an intensive six-year experience for students beginning the summer after 10th grade that cultivates students' passions and skills to apply for and persist through college and then launch the careers of their choice upon graduation.

OppNet's growth has been met with remarkable impact, far exceeding national trends: 92% of OppNet Fellows graduate from college within six years and 89% secure meaningful employment or graduate school admission within six months of college graduation.

Additionally, OppNet drives impact through our national Career Fluency® Partnerships program, which builds capacity for schools and youth-serving organizations across the country looking to boost college and career readiness in their young people. This past year, OppNet reached 7,000 students through partnerships with 41 schools and youth-serving organizations across 18 cities.
